

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

NXP USA, INC., and NXP B.V.,

Plaintiffs,

v.

IMPINJ, INC.,

Defendant.

CASE NO. 2:20-cv-01503-JHC

ORDER RE: TRIAL DATE AND CASE  
SCHEDULE

The Court STRIKES the current trial date and all related deadlines. The Court CONTINUES the trial to June 5, 2023.

The parties are DIRECTED to meet and confer about a proposed case schedule leading up to trial. The parties must file a joint status report containing their proposed case schedule no later than March 28, 2023.

The Court recognizes that the parties do not yet know which additional motions, if any, the Court will allow. The Court is inclined to allow additional motions that flow *directly* from the Court's modifications of its claim construction (in its sua sponte order, Dkt. # 375, and the summary judgment order, Dkt. # 380). In the joint status report, each party shall identify any

1 motions it hopes to file, and the opposing party shall indicate their position as to the filing of  
2 each motion.

3 Dated this 23rd day of March, 2023.
